

I Deserve to Be

Self-worth Is a Silent Killer

Sonny Jermain

Human stress is at an all time high.

I Deserve to Be is a passion play of diction, straight shooting and tough criticism of human behavior through Sonny Jermain's life and his experience of people and the world around him. The sheer eloquence and unconventional style of his writing will ensure that you will never be the same again after reading this book – *in a good way!*

With rich language and key moments in pop culture, *I Deserve to Be* will push, pull and lift the reader to the next level of where they want to be in their lives. For a kid who grew up hungry for success – *and a decent plate of food* – in a dusty and crowded African ghetto, Sonny Jermain blows the lid on the human condition with unexpected points of view.
